

2021 Zurich Fastball Season

ZMAA is hoping all our families are staying safe and healthy during the continued pandemic. It is our hope that we will be able to have a 2021 ball season. However, it is a little unclear what will be possible as COVID-19 conditions are constantly changing. We are asking that you complete the attached registration form to help us with our planning for the season. Please check all the potential options for the season you are interested in for your children. We will not be collecting fees at the present time as fees will be adjusted to reflect the programming offered. The fees listed would be a maximum and only apply if we are able to complete a normal regular season with league play and a year-end tournament. A fee schedule and payment dates will be communicated in the future.

Any fundraising including the Bean Festival 2021 expectations will be determined at a later date.

The COVID-19 situation will continue to change and we will keep our families up to date about our programming and costs. The executive respects that families can withdraw their registrations depending on their comfort level with the health and safety protocols in place and the final plans for the season.

Please complete the registration form and email to djschade@hay.net

ZMAA are always looking for volunteers. We anticipate more help will be necessary because of additional health and safety protocols. If you are interested in coaching, joining the executive, volunteering in some capacity or have any questions, please contact Doug Schade at 519-236-7188 or djschade@hay.net
