Supporting Minor Athletics in Zurich & Area

Letter of Intent for Players that would like to play girls only hockey in Zurich.

As some of you may know, we had a Pee wee Girls team under the umbrella of BCH Minor Hockey in the 2010-2011 season. For reasons that are not in our control, this cannot happen again for the upcoming season. We are therefore re-applying to the OWHA (Ontario Women's Hockey Association), asking them again to sanction us as a center which will allow ZMAA to provide hockey for girls at the Novice, Atom, Pee wee and Bantam age levels in Zurich for the upcoming hockey season. Please fill out this form to help us better understand the level of interest for Girls hockey. **Although it's our hope to be sanctioned, we cannot guarantee it.** This form will be used to make the OWHA aware of the interest in girl's hockey in Zurich.

Below is the registration fee schedule. Girls Hockey fees are \$20.00 more than mixed teams to try and offset the lesser "entrance to game" fees (\$3.00/person compared to \$5.00/person for mixed teams).

You will also be required to work 6 hours per family at the Beanfest. If you wish to work a specific shift, please sign up at the Hockey Banquet on Apr. 8th from 6-7 pm for this shift. In the event that we are not sanctioned for girl's only teams, and you choose not to have your girl play with "the boys", you will not be required to fulfill the Beanfest volunteer hours. We are going to wait for the OWHA response before accepting registration forms with payments. Late fees will not apply.

Novice Girls	2003 & 2004		\$350.00
Atom Girls	2001 & 2002		\$350.00
Pee wee Girls	1999 & 2000		\$400.00
Bantam Girls	1997 & 1998		\$425.00

In the event ZMAA is sanctioned for girl's teams, Hockey Skills Development Sessions will be available to any girl signed up with a ZMAA girls team. Please indicate below if you have an interest in these sessions.
